

What You Should Know About the Unified Registration System Rollout

The Federal Motor Carrier Safety Administration (FMCSA) has begun its rollout of the new Unified Registration System (URS).

Who Is Impacted

Everyone regulated by **FMCSA** will need to use the **URS** — interstate motor carriers, freight forwarders, brokers, intermodal equipment providers (IEPs), hazardous materials safety permit (HMSP) applicants, and cargo tank facilities.

URS Rollout Dates at a Glance

URS REQUIREMENTS	New Registrants	Existing Registrants	New Private HM & Exempt For-Hire Carriers	Existing Private HM & Exempt For-Hire Carriers	New & Existing Private Carriers
